Hon. Commissioner of Patents and Trademarks Washington, D.C. 20231

AMENDMENT UNDER 37 CFR § 1.116

This amendment is submitted in response to the office action of March 14, 2002. Please amend this application as follows:

IN THE CLAIMS

Replace claims 74 and 87 by the following:

Claim 74: An isolated polypeptide which binds to an MHC-Class II molecule, said polypeptide comprising at least 18 and no more than 25 amino acids, said polypeptide further comprising a motif consisting of four amino acids, wherein the first amino acid is Tyr, Phe, Trp or Leu, and the fourth amino acid is Ala or Ser, wherein said polypeptide, when bound to said
